Select the area that you are travelling to, the dates that you leave and get back to Australia. The max no of students we can insure on one policy is 25. If you have more than this, obtain 2 quotes always ensuring that there is an adult on the policy. This ensures that you get half price for the students. If you want an indicative quote, select 1 adult (18-55). Students will be half this price

Snow Sports - If the group is on a dedicated snow sports trip then you need to enter the relevant dates when participating. If the trip is where students are staying at family homes, then there is automatically up to 8 days snow sports cover included and there is no need to enter dates.

Excess -There is also an option to delete the excess which is \$135. The excess is the first part of a claim which is paid by the insured. If you select this option, all persons on the policy will need to take it.

4 Enter email address & create a/c or login

The screenshot shows the 'Your Details' section of the form. It includes a field for 'Please enter your email address' and a note: 'You must have a valid email address in order to communicate with us on matters relating to your policy. Your email will not be passed on or sold to any other company under any circumstances (read our privacy statement)'.

There are no forms for parents to complete. The Group Organiser can do all online. If guardians require information on the cover provided, simply point them to the website - the policy wording is shown under the "Cover" section. If a student has a pre-existing medical condition (PEMC), it is the parent's responsibility to read through the PEMC page on the website (link from home page) to determine if cover is available. GoSafe are not in a position to advise on PEMC.
