There are no forms for guardians to complete. The Group Organiser can do all online. If guardians require information on the cover provided, simply point them to the website - the policy wording is shown under the "Cover" section. If a student has a pre-existing medical condition (PEMC), it is the guardians responsibility to read through the PEMC page on the website ( link from home page) to determine if cover is available. GoSafe are not in a position to advise on PEMC.
